There are PROBUS clubs in many countries throughout the world and provide the opportunity for retired or partially retired professional and business men to meet regularly socially to enjoy a drink, good food and good company.

The PROBUS Club of Teddington & Hampton fully subscribes to this philosophy. The club meets monthly for a luncheon normally on the third Tuesday of the month at Fulwell Golf Club. Following lunch we have a guest speaker. In addition other social activities are organised and a monthly walk followed by a pub lunch.

More than that we are a friendly club and we welcome new members at any time.
